Photocopying, Scanning and Digital Re-use under the terms of the Higher Education Licence

1 August 2019 - 31 July 2022

This institution holds a licence with The Copyright Licensing Agency Ltd (CLA) that, subject to terms and conditions, permits the copying and re-use of extracts of text and still images from printed books, journals and magazines, and from digital publications including some free-to-view and subscription websites. You can find the full terms and conditions of the Licence at cla.co.uk

What can I copy?

• The Licence covers most printed books, journals, and magazines published in the UK, plus many published overseas and a large number of digital publications
• You can check whether an item is covered by your CLA Licence by using the Check Permissions search tool, available at cla.co.uk

Can anyone at the institution copy under the Licence?

• All staff and students may make photocopies for all licensed purposes
• All staff may make digital copies for licensed purposes except course provision. Additional requirements apply to digital copies for course provision, so check with your institution; generally, only staff specifically trained in this role are permitted to make digital copies for course provision.

How much can I copy?

Up to the following may be copied under the Licence:

• One whole chapter from a book
• One whole article from a journal issue
• One short story, poem or play (not exceeding 10 pages in length) from an anthology
• One whole scene from a play
• One whole paper from a set of conference proceedings
• One whole report of a single case from a volume of judicial proceedings
• Or 10% of the total publication, whichever is the greater
• Where a digital publication is not organised in a similar way to conventional printed items, you are advised to exercise your best judgement to copy reasonable extracts

Who can I make copies for?

Copies may be distributed to registered students and members of staff. Copies made for students on a Course of Study are subject to specific conditions and reporting requirements.
